Commencement Speaker

Laurie Benson

Nurse Entrepreneur
Executive Director Nurses on Boards
Coalition, Corporate Board Director

Laurie Benson currently serves as the Executive Director of the Nurses on Boards Coalition, a national organization dedicated to improving community health through the service of nurses on boards. A former CEO of a technology systems integrator, Laurie successfully led her company from start-up to sale.

Throughout her career, she has served on eight corporate boards in sectors such as

technology, finance, insurance, engineering, manufacturing, and services. Known for her decisive, courageous, and pragmatic leadership, Laurie excels at guiding businesses through transitions at all stages of their lifecycle. Her expertise spans governance, business strategy, finance, healthcare, technology, and human capital management.

As Co-founder and CEO of Inacom Information Systems, Laurie led the company to substantial success by focusing on both organic and M&A growth strategies, adopting a service-based technology model early, and building one of the largest Microsoft education centers in the country. Under her leadership, the company achieved top national rankings with strategic partners such as Cisco, Microsoft, HP, and EMC. Laurie fostered a strong corporate culture, empowered employees, cultivated long-term customer loyalty, and ensured positive community engagement. After the sale of Inacom, she founded LSB Unlimited, a consulting firm that advises CEOs, Presidents, and Entrepreneurs on high-performance, growth-focused leadership.

Laurie's dedication to improving public health led her to join the Nurses on Boards Coalition in 2016, where she plays a key role in advancing nursing leadership. Throughout her career, Laurie has been an active board member for numerous organizations. She currently serves on the boards of First Business Financial Services, First Business Bank, Bassett Mechanical, and MIG Commercial Real Estate, and University Research Park.

Her accomplishments have earned her several prestigious awards, including the University of Wisconsin Alumni Association Distinguished Alumni Award, the UW-Madison Chancellor's Entrepreneurial Achievement Award, and induction into the "In Business" Executive Hall of Fame. Laurie was also named a National SBA Women Business Champion and recognized as one of the "Top 25 Most Influential IT Executives" by Computer Reseller News. She holds a B.S. in Nursing from the University of Wisconsin-Madison and a Cyber Risk Oversight Certificate from Carnegie Mellon University.

She has worked in various positions at Herzing University at the campus level, including registrar, director of admissions, and president of Herzing University online. In addition, Ms. Herzing has overseen the System's online, strategic planning, and information technology initiatives. She launched the System's Online division in 2003, which has grown from 100 students to over 2500 students.

In education, she is on the Steering Committee of the Higher Education Regional Alliance (HERA), the Board of WAICU (Wisconsin Association of Independent Colleges and Universities), and a Trustee of the Boys & Girls Clubs of Greater Milwaukee. Renée served on the Board of Directors for the Career Education Colleges and Universities (CECU) and was the Chair of its Grassroots Committee. Additionally, she is active in national educational idea-sharing groups.

In the business community, she is a member of YPO (Young Presidents' Organization), an international organization of over 20,000 CEOs, where she has held a variety of leadership roles since 2011. She is also a member of the Greater Milwaukee Committee (GMC), on the Steering Committee of Milwaukee Women, Inc. and a member of TEMPO Milwaukee.
